

Youth Civic Leaders Summit

The Youth Civic Leaders Summit is a statewide weekend retreat for young people who are active or aspiring leaders and decision-makers in their communities.

Teams of young people ages 13-18 active with 4-H Councils, Junior/Senior Leaders, Youth EXCEL, regional Youth Summits, County Extension Council youth and adults, and similar programs are encouraged to attend, as well as the adults who support them.

Each youth/adult team is asked to come prepared to participate in the Summit in team action planning at the Summit. Each team will be guided through planning a community action project.

The Summit offers young people and adults opportunities to showcase youth engagement in communities, learn new skills, make new friends, and have fun with peers from around the state. Weekend highlights include a Team Talent (T2) showcase, outdoor challenge course and recreation, open-space group planning and sharing, and mini-grant awards for implementing team projects.

Join a community of youth and adult leaders who are uniquely prepared and stepping up to the challenges of a complex, changing world!
